## **BUILDING SAFETY CERTIFICATE**

I have visited the school building at survey no. 130/2, 131/2 at Baraguru, Madaluru road, Sira Tq, Tumakur District-572113, Karnataka belonging to **KEB MEMORIAL EDUCATIONAL TRUST(R), BARAGUR** and also 'The Florence Public School' owned and run by the said TRUST.

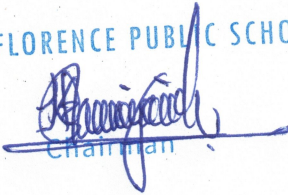

Due inspection of safety aspects of the school building & campus premises was conducted by me besides verifying the license copy and quality of the construction.

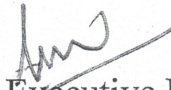

Accordingly this is certified that 'The Florence Public School', Baraguru building ground and two upper floors met safety requirements for all situations as per safety norms.

The school premises and class rooms have good ventilation, wide corridors and stairs for easy and safe movement of children.

This certificate is valid for a period of 1 year from to 25-07-2025 to 24-07-2026
